Hi Dr. Burt,
I just wanted to send you the pictures we
took while I was at Prentice and thank you
for your generosity and care during the HsCT
treatment. Me and my family are so thankful for
the opportunity to have this treatment and for
you and your wonderful staff, nurses, and everyone on
the 16th floor! I am feeling really well and
have already seen small gains and improvement.
Thank you again for everything! From,
Courtney
