Dear Dr. Burt,

On Sept 7, 2019 Gregg celebrates 20 yrs since his BMT/PSCT for Waldenstroms.

It's been a rough ride but you gave him a chance to enjoy life with our 10yr old granddaughter.

In 2012 Gregg did a study for 1wk. You are well known. We brag about you everywhere we go. Thank you so very much. With sincere gratitude,
Gregg, Mom & Sandy
