

Thank
you

To dear Dr Burt

I would like to thank-you
from the bottom of my
heart for giving me a new
immune system and living
the rest of my life devices
free with my beautiful family.

You are wonderful people
and the work you do to free
people from these awful auto
immune diseases is truly
amazing. Hopefully one day soon
your work will be recognised
and performed throughout the
world. I can't thank you enough!

Kind Regards

Hayley & Luke
