

You are a gift to others

*Some have a gift
for helping
others to see
the world as a place
of possibility...!*

To each there comes a time
 in your life that special moment
 when they are figuratively tipped on
 the shoulder offered the chance to do
 that very special thing unique to them
 and fitted to their talents - what
 a tragedy it ~~was~~ that moment
 to find themselves unprepared for that
 which ~~they~~ have
 could have
 been
 their
 finest hour!!

So glad you are this
 man!
