

*It means a lot
to have a
DOCTOR
who is not only
knowledgeable
but caring
AS WELL.*

Thank you for being
that kind of doctor...

that kind of person.

Thank you Dr. Bort for giving
me my life back and my
son his mom back. for the first
time since being diagnosed I feel
unstoppable and like the 'old' me
ready to take on the world, and
being a fair voice to the
amazing work that you are
doing. Thank you
Nicelle
