

Dr. Burt & Kate,

Thank you for giving me new life. I already feel so much better as each day is a chance for improvement instead of getting worse for the rest of my life. I am grateful for what you've done for me and for my family as I have a wife and 3 children who rely on me to be a strong supportive husband/father. There is no way I could repay the gift youve given me.....but I hope you know that I will thank heaven each day for you wisdom, kindness, and talents. I will be able to walk my daughters down the aisle and throw a baseball with my son. My life is much better because of you.

Bless you,

Rob
