

Life Moments made possible by Dr. Burt: Cover: Hiked the
50 miles.

Challenge Completed! Top Right: Hopped a ride with
and Bottom Right: navigated ruins in flip flops!

Above Left: 3 days.

Dr. Burt,

Two years ago you granted me the chance to reclaim my future.

My husband has his wife back.

My kids have their mom back.

Tomorrow I will run a 5K because I can.

Thank you for giving me my life back.

Forever grateful to you for taking a chance on me.

HSC T works and you are changing lives.

Thank you. Thank you.

Shai
