Dear Prof. Richard Burt

The Organizing Committee of the 3rd International Scientific Conference "Restauración Neurológica 2009" is honored to invite you to participate in this unique scientific meeting to be held at the "Palacio de Convenciones" in Havana. Cuba from 9-13 March 2009.

The conference is aimed to present an updated view of the many disciplines converging in the noble effort to restore neural function impaired by disease or trauma; and will bring together leading experts in each discipline. practitioners and students in a cooperative environment.

As a leading expert on the field we are sure that your experience will be an outstanding contribution to the success of the meeting.

Please. don't hesitate to contact us if any assistance is required.

Looking forward to meet you in Havana,

Dr. Julián Álvarez Blanco
President
Organizing Committee
