

Sue & Bill Gross Stem Cell Institute & UCI Diabetes Center

Topic: “Treating Diabetes with
Autologous Stem Cell Therapy”

Dr. Burt will talk about an experimental stem cell treatment that enabled patients with type 1 diabetes to go for as long as four years without insulin injections.

Speaker: Dr. Richard Burt
Northwestern University

Date: June 25, 09 (Thursday)

Time: 1:00 p.m.

Location: Tamkin Lecture Hall, F-110
University of Calif, Irvine
