

As an Invited Speaker for the ARVO 2010 Annual Meeting in Fort Lauderdale, Florida, please review the following session information.

Session Type: Education Course
Session Number: 3
Session Title: New Opportunities in Human Embryonic Stem Cell Research®
Session Date: Saturday, May 01, 2010, 8:30 am - 5:00 pm
Location: Palm A

Session Role Status	Pres. Time	Presentation Title	Participant
Confirmed	Saturday, May 01, 2010, 8:30 am	Introduction	<i>P.A. Sieving.</i> NEI/NIH, Bethesda, MD. (Confirmed) Disclosures: P.A. Sieving , None.
Confirmed	Saturday, May 01, 2010, 8:35 am	Stem Cells for Therapy of Human Diseases	<i>M. Friedlander.</i> Cell Biology MB28, Scripps Research Institute, La Jolla, CA. (Confirmed) Disclosures: M. Friedlander , EyeCyte, C; Inventor, P.
Confirmed	Saturday, May 01, 2010, 9:15 am	Harnessing Stem Cells for the Treatment of Parkinson's Disease	<i>L. Iacovitti.</i> Neurology, Thomas Jefferson University, Philadelphia, PA. (Confirmed) Disclosures: L. Iacovitti , None.
Confirmed	Saturday, May 01, 2010, 9:55	Human Stem Cell Transplantation for CNS Repair: Mechanisms versus	<i>A.J. Anderson.</i> University of California-Irvine, Irvine, CA. (Confirmed) Disclosures: A.J. Anderson ,

	am	Mantras	Stem Cells Inc., F; Stem Cells Inc., C.
Confirmed	Saturday, May 01, 2010, 10:55 am	Ex Vivo Expansion of Human Limbal Epithelial Stem Cells by Preserving Their Niche Cells for Treating Corneal Diseases with Limbal Stem Cell Deficiency	<i>S.C. Tseng</i> ^{1,2} . ¹ Ocular Surface Center, Ocular Surface Res & Educ Fndtn, Miami, FL; ² R&D Department, TissueTech, Inc., Miami, FL. (Confirmed) Disclosures: S.C. Tseng , TissueTech, Inc., F; TissueTech, Inc., I; TissueTech, Inc., E; TissueTech, Inc., C; TissueTech, Inc., P.
Confirmed	Saturday, May 01, 2010, 11:35 am	Stem Cell Approaches for Retinal Diseases	<i>T.A. Reh</i> . Biological Structure, University of Washington, Seattle, WA. (Confirmed) Disclosures: T.A. Reh , US Patent 7541186, P.
Confirmed	Saturday, May 01, 2010, 1:30 pm	Human ESC Cells- Safety and Policy	<i>M.S. Rao</i> ^{1,2} . ¹ Life Technologies, Frederick, MD; ² Buck Institute on Aging, Novato, CA. (Confirmed) Disclosures: M.S. Rao , Life Technologies, F.
Invited	Saturday, May 01, 2010, 2:10 pm	Human ESC Clinical Trials	<i>R. Burt</i> . Northwestern University, IL. Disclosures:
Confirmed	Saturday, May 01, 2010, 2:50 pm	Translating Stem Cell Research to the Clinic: FDA Overview	<i>D.W. Fink, Jr.</i> . Office of Cellular, Tissue and Gene Therapies, Center for Biologics Evaluation and Research / FDA, Rockville, MD. (Confirmed) Disclosures: D.W. Fink, Jr. , None.
Confirmed	Saturday, May 01, 2010, 3:50 pm	NIH Guidelines for Human Stem Cell Research and the NIH Stem Cell Registry	<i>L. Neuhold</i> . National Eye Institute, National Institutes of Health, Bethesda, MD. (Confirmed) Disclosures: L. Neuhold , None.
Confirmed	Saturday, May 01,	Summary & Discussion	<i>M. Friedlander</i> . Cell Biology MB28, Scripps Research Institute, La Jolla, CA.
