

You care...
and
it Shows.

Dear Dr. Burt,

How do you thank someone who has brought this miracle into our life.

I will never forget you & never stop thanking God for the gift we've been given in this cure for our Stephanie & so many others.

Like you, she has dedicated her life to medicine & has helped many, many people in their cancer treatment.

You have dedicated your life to a cure for a disease that has affected so many lives & we honestly just

learned to live with, but it is heartbreaking to see two of our children with this disease. That so many people have but none seemed to have success in it's ^{sure} _{You're the kind of doctor who treats the person} as well as the patient.

Thank you.

You struck me as a humble, dedicated doctor who I will eternally be grateful to. God Bless You Dr. Burt!

Liane
