Punta del Este, March 2007

Dr. Richard Burt

Dear Dr. Burt,

On behalf of the Organizing Committee we wish to express our appreciation for your participation World Congress of the International Society of Hematology.

We are certain that the success of this Congress, which gathered over 1.400 participants, was due standard of the scientific program and the quality of the speakers, and also to the support of th who contributed to this project. It was a pleasure to count you among our faculty.

Looking forward to meeting you again soon,

Best regards,

M Nese.

On behalf of the Organizing Committee
