Aurlandsfjorden og Nærøysfjorden

Nærøysfjorden, er på UNESCOs verdensarvliste som eksempel på en av jordens vakreste og mest klassiske fjordlandskap.

The Nærøysfjord is on Unesco's world heritage list as an example of one of the world's most beautiful, classical fjord landscapes.

Hello research warriors! I am enjoying a beautiful trip to Norway to celebrate my new life, all thanks to you and the amazing work you do! I was able to fly all this way, by myself, hauling only my own luggage - things that I could not manage before transplant! You have given me such a gift - the gift of living life as I want!
Thank you, thank you, thank you!

Skål! (cheers in Norwegian)
