

There I was,
thinking
of heavenly
blessings...

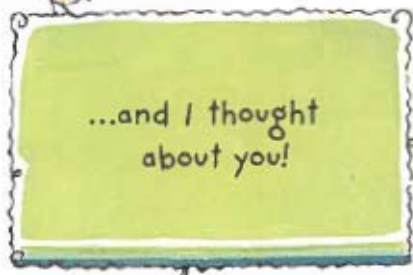

Dr Burt,

Words cant express how lucky
we are to have found you.
Without you my husbands
future with our kids & myself
looked bad. You & God have
given him back his life & I'll
forever be grateful. if you
ever need anything let us know.

Take a good look at God's wonders—
they'll take your breath away.
PSALM 66:5 The Message

Dayspring®

A message from the heart of Really Woolly:
Life is Really Woolly! I know mine has been
and I bet yours is too! That's why I love helping
create these "Shepherd's-here-with-us"
cards—so in the woolliest of times, you'll
know the heartiest of care...Hig!

See ya 'round the pasture,
