

thank  
very  
much you

FEB 21, 2013

DEAR DR. BURT,

Words CANNOT express the sincere THANKS AND gratitude that I have for the outstanding CARE from you personally AND that of your Team while in CHICAGO. EVEN on the darkest DAYS you were there to give me confidence.

Here AT home 2 Weeks After my SCT, I feel great AND AM getting stronger EVERY DAY. As each DAY passes successfully, the ANXIETY of (did it work?) diminishes.

SO MANY THANKS  
Pat
