

A vibrant floral arrangement featuring a variety of flowers in shades of pink, red, orange, and purple, interspersed with green leaves. The flowers are arranged in a dense, circular pattern around a central rectangular text box. The background is a light, textured cream color.

Thank you!

Dearest Dr. Burt,  
Tomorrow I will have my stem cell  
Transplant so I just wanted to  
take a minute to say thank you.  
You have changed my life and given  
me so much hope.

I am so grateful to be in your  
study and under such excellent care.  
The nurses here are truly angels  
and so are you.

I have been praying that God  
keeps you safe and well for months  
and I will continue to do so as long  
as my heart is beating. I'm so  
thankful for your compassion, your  
diligence, your commitment and your  
incredible mind.

You will always have my support as both  
a registered nurse and an HSCT patient  
I will advocate for you forever.

Thank you with all of my heart,  
Gina
