

Immunotherapy of Multiple Sclerosis
October 15 & 16, 2004
University of Utah, Salt Lake City, Utah

September 1, 2004

Dr. Richard Burt
Division on Immunotherapy, Department of Medicine
Feinberg School of Medicine
Northwestern University

Dear Dr. Burt,

The Immunotherapy of Multiple Sclerosis Conference is quickly approaching! I hope that you recently received the speaker packet that I sent you. If you have not received it please let me know. I later realized that I accidentally omitted three forms from the packet that I sent you. Since we are offering Nurse Continuing Education at the conference I also need you to fill out and return the:

Biographical Data Form

Presenter Participation Form

Documentation Form

If you have any questions, please contact me and I will be happy to help you! Please remember that your packets are due on October 1, 2004.

Thanks,

Carrie
