**Invitation to visit Research Institute to give lecture on HSCT for autoimmune diseases**

Dear Professor Burt Richard,

It is my great pleasure to meet you and listen to your lecture in Russia. As discussed, I am pleased to extend an invitation to you to come Hanoi to visit our Institute and give lecture on HSCT for AD in April from 22<sup>nd</sup> to 27<sup>th</sup>, 2020.

Taking advantages of this occasion, we will organize a workshop for you to give lectures and visit my center of cell therapy and hematology and my Research Institute of Stem cell and gene technology. This will be a value opportunities for us to catch up with your fruitful lecturer in such a specialized field of hematology stem cell transplantation.

The tentative program as suggested below:

- **Wednesday 22<sup>nd</sup> April:** arrive in Hanoi
- **Thursday 23<sup>rd</sup> April:** Hanoi tour in the morning; visiting Hospital and working with scientists of Research Institute; examination/consultation to patients with Prof Liem in the afternoon.
- **Friday 24<sup>th</sup> April:** Conference on HSCT for AD (for the whole day)
- **Saturday-Sunday 25<sup>th</sup> -26<sup>th</sup> April:** Sightseeing (Ha Long Bay Tour: one night on Cruise to explore the Bay)
- **Monday 27<sup>th</sup> April:** Leave Hanoi or your private plan.

We are happy to pay airfare at economy ticket, accommodation at **Hotel de l'Opera Hanoi - MGallery 5 stars, 29 Trang Tien Street, Hoan Kiem District, Hanoi** from 22<sup>nd</sup>-27<sup>th</sup> April (<http://hoteldelopera.com/>) and a sightseeing tour for your visit. I am certain that your visit will provide both of us with a tremendous opportunity to work together and to plan our future collaborations.

We are looking forward to welcoming you.

Sincerely yours,
