

# 1<sup>st</sup> NST Japan

1<sup>st</sup> International Workshop for  
Non-myeloablative Stem Cell Transplantation  
In Japan

20-22 February 2004  
Atami, Shizuoka  
Japan

Dr. Richard Burt  
Northwestern University, USA

October 28, 2003

Dear Dr. Richard Burt,

It is our great pleasure to invite you to participate in the 1st International Workshop on Non-myeloablative Stem Cell Transplantation. The meeting will be held in Atami, a 50-minutes ride on Shinkansen from Tokyo, **20-22 February 2004**. (Details will be informed in advance.)

The workshop is being organized by Japan Clinical Research Support Unit (Non-profit Organization) as Conference Secretariat and has been underwritten by unrestricted grants from several pharmaceutical companies.
