

Dear Dr Burt:

Greetings! Dr F. Meyers and I are eagerly awaiting your visit to UC Davis Medical Center for grand rounds on 12/16.

Thank you,

Amir Zeki, M.D.

Chief Resident

Department of Internal Medicine

U.C. Davis Medical Center

Dear Richard:

We are looking forward to seeing you on Wednesday. After lunch, I will bring you back to the lab and you will hear a little more about PBC. The dinner is being held at the Marriott near our hospital and the attendees will be University VIPs, particularly the Dean and the Chief of Medicine. There is a large stem cell program being developed; I know you have been involved in this. Although this is not an official recruitment, these are the people you should meet.

Call or email if you have any questions.

Eric
