BMT MEETINGS

IBMTR/ABMTR

**INTERNATIONAL BONE MARROW TRANSPLANT REGISTRY/
AUTOLOGOUS BLOOD & MARROW TRANSPLANT REGISTRY**

March 26 - 29, 2000

ASBMT

AMERICAN SOCIETY FOR BLOOD & MARROW TRANSPLANTATION

March 29 - April 1, 2000

ASBMTTM
American Society for Blood
and Marrow Transplantation

DISNEYLAND & PACIFIC HOTELS • ANAHEIM CALIFORNIA

Monday

6:30 am - 8:30 am

Satellite Breakfast Symposium

Emerging trends in positive/negative cell selection and dendritic cell therapy

Chair: John Kemshead
(supported by an unrestricted educational grant from
Nexell Therapeutics, Inc.)

7:00 am - 5:00 pm

Registration Open

7:00 am - 4:00 pm

IBMTR/ABMTR Poster Set-Up

7:00 am - 8:30 am

IBMTR/ABMTR Audit Committee meeting**

8:40 am - 10:20 am

Opening Plenary Session:

Tumor immunology/graft-versus-malignancy

Chair: A. John Barrett
(supported by an unrestricted educational grant from
Schering AG)

- **The experimental basis of tumor alloimmunotherapy**
Shimon Slavin
- **Tumor antigens**
Franco Marincola
- **Non-myeloablative allotransplants for metastatic solid tumors**
Richard Childs

8:40 am - noon

Advanced Data Management

- **Overview: BMT for autoimmune disease**
- **Completing disease-specific Reporting Forms for autoimmune diseases**
- **Roundtable Discussions:**
 - Audits
 - Autoimmune diseases
 - Causes of death
 - Chronic myelogenous leukemia
 - Efficient data abstracting
 - Graft-versus-leukemia
 - Quality of life after transplant
 - Therapy-related cancers

10:40 am - noon

Concurrent Scientific Sessions:

Tumor vaccines

Chair: David Scheinberg

- **Tumor vaccines**
David Scheinberg
- **Self-antigens as targets for vaccines and allotherapies**
Jeffrey Mouldrem
- **Tumor vaccines in autologous BMT**
Ivan Borrello

Multiple myeloma

Chair: Kenneth Anderson

- **Strategies for cure in myeloma**
Bart Barlogie
- **Skeletal targeted radiotherapy in patients with myeloma**
William Bensinger
- **What does MRD mean in the autograft as well as in the patient?**
James Berenson

Working Committees*

- **Autoimmune Diseases**
Chair: Richard Burt
- **Acute Leukemia**
Co-Chairs: Daniel Weisdorf & Armand Keating

Noon - 2:00 pm

Satellite Luncheon Symposium

IV busulfan-based regimens: Experimental and clinical applications

Chair: Stephen Forman
(supported by an unrestricted educational grant from
Orphan Medical, Inc.)

2:00 pm - 3:30 pm

International Session: CML

Co-Chairs: John Goldman & Andrea Bacigalupo
(supported by an unrestricted educational grant from
Orphan Medical, Inc., and Pierre Fabre Medicament)

- **Trials of IFN or STI-571 before proceeding to allograft: point/counterpoint**
- **Routine TCD for CML allografts: point/counterpoint**

2:00 pm - 5:00 pm

Statistics for Data Managers

- **Use of IBMTR/ABMTR data**
- **Structure of statistical tests of hypotheses**
- **Comparison of two proportions or rates**
- **Comparison of two means – understanding the t-test**
- **Basic survival analysis**

Preliminary Agenda

Monday

3:45 pm - 5:15 pm

Workshop:

New directions in autografting

Co-Chairs: Giovanni Rosti & Hillard Lazarus

- **Ex vivo expansion as a purging procedure in autografts for breast cancer**
Alexandros Spyridionidis
- **Auto- plus mini-allografting for lymphomas and solid tumors**
Angelo Carella
- **New approaches to autotransplants in acute leukemia**
Charles Linker

Working Committees*

- **Metabolic Diseases/Immune Deficiency**
Chair: Alexandra Filipovich

- **Multiple Myeloma**

Co-Chairs: Sundar Jagannath, Donna Reece, & David Vesole

5:30 pm - 7:00 pm

IBMTR/ABMTR Poster Session

(supported by an unrestricted educational grant from Roche Laboratories, Inc.)

5:30 pm - 7:00 pm

Data Management/ONS Poster Session

(supported by an unrestricted educational grant from Orphan Medical, Inc.)

5:30 pm - 7:30 pm

International Liaison Committee**

Co-Chairs: Andrea Bacigalupo & John Goldman

Tuesday

6:30 am - 8:30 am

Satellite Breakfast Symposium

Advances in supportive care

Chair: Rudolph Navari

(supported by an unrestricted educational grant from Hoechst Marion Roussel)

7:00 am - 5:00 pm

Registration Open

8:40 am - 10:20 am

Plenary Session:

Prevention and management of post-transplant infection

Chair: Olle Ringden

- **Vaccination after allogeneic stem cell transplantation**
Per Ljungman
- **Infections with uncommon pathogens after allogeneic stem cell transplantation**
Catherine Cordonnier
- **HHV-6 infection following allogeneic stem cell transplantation**
Konstance Kehl Knox

8:45 am - 12:15 pm

Oncology Nurses Sessions

(supported by an unrestricted educational grant from Orphan Medical, Inc.)

- **Welcome**
Susan O'Connell

- **Low-intensity transplantation**

Voravit Ratanatharathorn

- **Cord blood stem cell transplantation**

Kathleen Welte

- **New treatment approaches for managing complications**

Barbara Jagels

10:40 am - noon

Concurrent Scientific Sessions:

Applications of gene therapy

Chair: Helen Heslop

- **Lentiviral vectors**

Gay Crooks

- **Optimizing gene transfer with retroviral vectors**

Cynthia Dunbar

- **Gene therapy for X-linked SCID**

Marina Cavazzana-Calvo

Aplastic anemia

Chair: Neal Young

- **Immune pathophysiology of acquired aplastic anemia**

Neal Young

- **Identification of antigens and T-cells in aplastic anemia**

Shinji Nakao

- **Epidemiology of acquired aplastic anemia**

David Kaufman

- **Results of definitive treatment of aplastic anemia**

Andrea Bacigalupo

- **PNH and bone marrow failure**

Lucio Luzzatto

Preliminary Agenda

Tuesday

10:40 am - Noon

Working Committees*

- **Late Effects**
Chair: Gerard Socie
- **Solid Tumors**
Chair: Patrick Stiff

Noon - 2:00 pm

Satellite Luncheon Symposium

Oral mucositis: Recent advances in the understanding of its measurement, health and economic impact and its treatment

Chair: TBA

(supported by an unrestricted educational grant from IntraBioPharmaceuticals, Inc.)

Noon - 1:30 pm

IBMTR/ABMTR Advisory Committee**

12:30 pm - 1:45 pm

Oncology Nurses and Data Management Luncheon

(supported by an unrestricted educational grant from Orphan Medical, Inc.)

2:00 pm - 3:00 pm

IBMTR/ABMTR Poster Discussion

3:00 pm - 3:30 pm

IBMTR/ABMTR Best Abstract Awards

Mortimer M. Bortin Award for Best Abstract
(supported by an unrestricted educational grant from COBE BCT)

IBMTR/ABMTR Business Meeting

2:00 pm - 5:00 pm

Oncology Nurses Oral Abstracts/Roundtable Sessions

- Historical perspective on hematopoietic cell transplantation
- Care partner program at University of Nebraska
- Managed care/Insurance issues
- Nutritional support guidelines
- Catheter care
- Role of advanced nurse practitioner

3:45 pm - 5:15 pm

Workshop:

Statistical strategies for analyzing transplant studies
Chair: John Klein

- **Estimation of current leukemia-free survival for patients treated with DLI**
John Klein
- **Multi-state models in transplant studies**
Per Kragh Andersen
- **TBA**
Dorota Dabrowska

Working Committees*

- **Chronic Leukemia**
Co-Chairs: Emilio Montserrat & Sergio Giralt
- **Pediatric Cancers**
Chair: Bruce Camitta

6:30 pm - 11:00 pm

ABMTR Tenth Anniversary Celebration

Co-Hosts: James Armitage & Armand Keating

(Black-tie optional. Individual tickets may be purchased at the door, subject to availability.)

Tuesday

ABMTR Tenth Anniversary Celebration

Gala Anniversary Reception, Dinner and Entertainment

All participants at the Tandem BMT Meetings and friends of ABMTR are welcome to attend a special event celebrating the 10th Anniversary of the Autologous Blood & Marrow Transplant Registry (ABMTR) on Tuesday evening, March 28, 6:30 pm - 11:00 pm, in the Pacific Ballroom, Disneyland Resort.

Co-hosts are James O. Armitage, founding chair of the ABMTR, and Armand Keating, current chair. Master of Ceremonies is Dan Rutz, former senior medical correspondent for CNN Health News.

Reserve your preferred seating today! Tables of 8 to 10 range from \$2,500 to \$15,000. Single dinner tickets are \$200 per person and will be available at the door. Black tie optional. More information available – please contact Susan Ladwig at 414.456.8363.

The 10th Anniversary Celebration will feature Rebecca Perl and clips from her powerful documentary, *Scenes from a Transplant*, which recently aired on Cinemax's *Reel Life* series. A survivor of NHL, Ms. Perl will be joined by her husband Tom Jennings, who produced and directed the documentary, and by co-producer Dan Collison, when she shares her courageous story at the event. Ms Perl, a Peabody Award-winning investigative reporter on health and science for National Public Radio, won a 1999 Columbia DuPont Silver Baton for the radio documentary version of her story.

Preliminary Agenda

Wednesday

6:30 am - 8:30 am

Satellite Breakfast Symposium

Cytokines for the new millennium

Chair: C. Fred LeMaistre

(supported by an unrestricted educational grant from Amgen, Inc.)

7:00 am - 5:00 pm

Registration Open

8:00 am - 1:30 pm

Advanced Statistics for Clinicians

Co-Chairs: John Klein & Per Kragh Anderson

8:40 am - 10:20 am

Plenary Session:

Stem cell sources for allografts

Chair: Eliane Gluckman

- **Results of cord blood transplants in children with acute leukemia: comparison with unrelated bone marrow transplants**
Eliane Gluckman
- **Results of haplomismatched related bone marrow transplants in adults**
Franco Aversa
- **Results of alternative donor transplants in children**
P. Jean Henslee-Downey
- **Unrelated donor bone marrow transplants**
John Wagner

8:45 am - noon

Oncology Nurses Workshops

(supported by an unrestricted educational grant from Orphan Medical, Inc.)

- **Donor issues in hematopoietic cell transplantation**
Dennis Confer
- **Post-transplant infections and their management**
Theresa Sheppard
- **The patient's perspective**
Susan Stewart

10:40 am - noon

Concurrent Scientific Sessions:

Stem cell biology

Chair: Connie Eaves

- **Normal stem cells**
Catherine Verfaillie
- **CML stem cells**
Tessa Holyoake
- **SCL and stem cell development**
Lorraine Robb

Evaluating quality of life in transplant survivors

Chair: John Wingard

- **QOL after transplant: What is it and what we know thus far**
Michael Andrykowksi
- **QOL after transplant: What we hope to learn about recovery**
David Cella
- **IBMTR study of QOL and relationships after blood or marrow transplantation: Project overview**
Michelle Bishop

Working Committee*

- **Histocompatibility/Graft Sources**
Co-Chairs: Richard Champlin & John Wagner

Noon - 2:00 pm

Satellite Luncheon Symposium

Fungal infections after allogeneic stem cell transplants

Chair: Pablo Cagnoni

(supported by an unrestricted educational grant from Fujisawa Healthcare, Inc.)

Noon - 1:30 pm

Working Committees*

- **Lymphoma**
Co-Chairs: Koen Van Besien, Hillard Lazarus & Julie Vose
- **Non-malignant Marrow Disorders**
Co-Chairs: Judith Marsh & Ricardo Pasquini

Noon - 1:30 pm

Oncology Nurses Special Interest Group Luncheon and Meeting

IBMTR/ABMTR MEETING ENDS
& ASBMT MEETING BEGINS

Preliminary Agenda

Wednesday

1:30 pm - 3:00 pm

Plenary Session:
Experimental therapeutics
Chair: Michael Colvin

- **Optimizing transplant preparative regimens**
Michael Colvin
- **Radiolabeled antibody treatment of leukemia**
Dana Matthews

2:00 pm - 5:00 pm

**Oncology Nurses Oral Abstracts/
Roundtable Sessions**

3:30 pm - 4:00 pm

State-of-the-Art Session:
Non-myeloablative regimens
Rainer Storb

4:15 pm - 5:15 pm

Workshops:

- **Pre-clinical GVHD**
Robert Korngold & Robert Levy
- **HLA-mismatched transplants**
Effie Petersdorf & P. Jean Henslee-Downey
- **Health plans and managed care**
C. Fred LeMaistre & Jackie Lueck Sneve

5:30 pm - 6:45 pm

ASBMT Welcome Reception

*(supported by an unrestricted educational grant from
Schering AG)*

6:30 pm - 8:00 pm

IBMTR/ABMTR Advisory Committee Meeting**

Thursday

6:30 am - 8:30 am

Satellite Breakfast Symposium

Dendritic cell-based immunology

Chair: Nelson Chao

(supported by an unrestricted educational grant from Searle)

7:00 am - 5:00 pm

Registration Open

8:30 am - 10:00 am

Plenary Session:

Immunotherapy

Chair: Eli Gilboa

- **Immunotherapy of cancer using tumor
RNA transfected dendritic cells**
Eli Gilboa
- **Modulating immune reconstitution to enhance
anti-tumor immunity**
Hyam I. Levitsky

8:30 am - 4:15 pm

BMT Center Administrative Directors' Sessions

- **Developing an effective cost-reduction initiative
within BMT programs**
- **Clinical protocol management**
- **Care delivery models: Outpatient BMT**
- **Financial reporting tools for BMT**
- **Providing patient access: The financial approval
process for BMT patients**

10:30 am - 11:00 am

Plenary Session:

**High-dose chemotherapy for breast cancer:
A critique of the available randomized trials**

Karen Antman

11:00 am - noon

Workshops:

- **Clinical GVHD**
Richard Nash & Nelson Chao
- **Pre-clinical GVL**
Robert Truitt & Ron Gress
- **Purging and minimal residual disease**
Jerome Ritz & John Gribben

Noon - 1:30 pm

Satellite Luncheon Symposium

**Emerging strategies for the treatment
of myelodysplastic syndrome**

Chair: Alan List

*(supported by an unrestricted educational grant from
SangStat Medical Corporation)*

Noon - 3:00 pm

ASBMT Board of Directors

Preliminary Agenda
