

Need Your Help like me
I pray for you a lot
and again I thank
you for giving me the
strength to face the diffi-
culties in my life, & my health!

I am thinking of you a lot
when I praying I am trying
to follow your instructions to
keep my life protected of
anything that will weaken
me! We God's Help I hope I
will be able to survive in
good health. As I wrote you
a few months ago we are
back to

we will be her ^{and} forwardly
When I get my new MRI
send it to you for FYI.

My Mother sends you
her best wishes for you
and your family and
prays for you all.

HAPPY THANKSGIVING

Dear Dr. BURT,

To you your Family and
your Staff, we would like

To keep in touch
and tell you
that you're always
close in thought.

Happy Thanksgiving

To send you our best
wishes for your THANKSGIVING!

With our minds and our
Heart we are with you
this special Day! We thank
God for bringing you in
our lives the October 2001!
The year you gave me
a second chance in life
we thank God and we
pray that he will have
you under his Guard and
save you strength and
good life to be able to
help a lot of people that
