*Mastermind used by God to Create and Execute my Miracle of
Life ~ Eternal Life Anew, a 2nd Chance at Life!*

From: Elizabeth

A token of gratitude for taking amazing care of me during my stay at Scripps Green Hospital while undergoing Bone Marrow Transplant for my RRMS. Your level of dedication, empathy, compassion, and expertise made a deep impression on my heart and a profound impact on my journey to recovery. You will forever be a part of my life and my story!

~Love, Elizabeth

*"Let your light shine by living on purpose!
Be your own muse and a beacon of inspiration to others!"
~ Dr. Elizabeth*
